

[Docket No. CP14-517-001]

**Golden Pass LNG Terminal LLC, Golden Pass Products LLC; Notice of
Amendment of Authorizations and Establishing Intervention Deadline**

Take notice that on February 25, 2021 and May 19, 2021, Golden Pass Products LLC, (Golden Pass LNG), 811 Louisiana Street Suite 1400, Houston, TX 77002, filed its Golden Pass LNG Export Project Variance Request No. 15 (Variance No. 15).¹ On June 3, 2021, Golden Pass LNG received a data request regarding the information provided in Variance Request No. 15, responding on June 8 with all of the information requested. Variance No. 15 describes Golden Pass LNG's identified need for traffic volume and work week/hour limits in excess of what was originally authorized under Section 3 of the Natural Gas Act (NGA) for construction of the Golden Pass LNG Export Project Docket No. CP14-517-001 which the Commission authorized on December 21, 2016.² If authorized, Variance No. 15 which would modify their original authorizations to such an extent that it is appropriate to treat these plans as amendments to the Section 3 approvals for issued for the projects. The plan and subsequent filings are on file with the Commission and open for public inspection.

In addition to publishing the full text of this document in the Federal Register, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://ferc.gov>) using the "eLibrary" link. ¹ We note that in the February 25, 2021, May 19, 2021 and June 8, 2021 filings references were made to Golden Pass LNG Terminal LLC holding the Section 3 authorization for the LNG Terminal.

² In 2016, the Commission authorized Golden Pass Products, LLC to site, construct, and operate facilities for the export of LNG under section 3 of the NGA. Specifically, the 2016 Authorization Order authorized the construction and operation of three liquefaction trains with a total LNG production capacity of 15.6 mtpa, plus feed gas treatment facilities consisting of a mercury removal system, amine system, and heavy hydrocarbon removal system. These facilities, known as the Golden Pass Export Terminal Project, will be constructed adjacent to and integrated with the existing Golden Pass Terminal in Sabine Pass, Texas. Golden Pass LNG has commenced construction of the Golden Pass Export Terminal Project facilities and anticipates commencing service in 2024

Any questions regarding the proposed project should be directed to Kevin M. Sweeney, Legal Counsel, Golden Pass Products, LLC, Law Office of Kevin M. Sweeney 1625 K Street, NW, Suite 1100 Washington, DC 20006, or by phone at 202-609-7709, or email at ksweeney@kmsenergylaw.com.

Golden Pass LNG is directed to provide this notice to all affected landowners and towns, communities, and local, state, and federal governments and agencies involved in the project within 10 business days of its publication in the Federal Register.

Pursuant to Section 157.9 of the Commission's Rules of Practice and Procedure,³ within 90 days of this Notice the Commission staff will either: complete its environmental review and place it into the Commission's public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or environmental assessment (EA) for this proposal. The filing of an EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

PUBLIC PARTICIPATION

There are two ways to become involved in the Commission's review of the companies' proposals: you can file comments on the proposals, and you can file a motion to intervene in the proceeding. There is no fee or cost for filing comments or intervening. The deadline for filing a motion to intervene is 5:00 p.m. Eastern Time **November 24, 2021**.

Comments

Any person wishing to comment on the proposals may do so. Comments may include statements of support or objections to the proposals as a whole or specific aspects of the proposal. The more specific your comments, the more useful they will be. To ensure that your comments are timely and properly recorded, please submit your comments on or before **November 24, 2021**.

There are three methods you can use to submit your comments to the Commission. In all instances, please reference the Project docket number **CP14-517-001** in your submission. Identify your comments separately with regard to one or more of these proposals.

³ 18 CFR 157.9.

- (1) You may file your comments electronically by using the eComment feature, which is located on the Commission's website at www.ferc.gov under the link to Documents and Filings. Using eComment is an easy method for interested persons to submit brief, text-only comments on a project.
- (2) You may file your comments electronically by using the eFiling feature, which is located on the Commission's website (www.ferc.gov) under the link to Documents and Filings. With eFiling, you can provide comments in a variety of formats by attaching them as a file with your submission. New eFiling users must first create an account by clicking on "eRegister." You will be asked to select the type of filing you are making; first select "General" and then select "Comment on a Filing"; or
- (3) You can file a paper copy of your comments by mailing them to the following address below. Your written comments must reference the Project docket **CP14-517-001**.

To mail via USPS, use the following address:
Kimberly D. Bose, Secretary
Federal Energy Regulatory Commission
888 First Street NE
Washington, DC 20426

To mail via any other courier, use the following address:
Kimberly D. Bose, Secretary
Federal Energy Regulatory Commission
12225 Wilkins Avenue
Rockville, Maryland 20852

The Commission encourages electronic filing of comments (options 1 and 2 above) and has eFiling staff available to assist you at (202) 502-8258 or FercOnlineSupport@ferc.gov.

Persons who comment on the environmental review of this project, and provide their mailing address, will be placed on the Commission's environmental mailing list, and will receive notification when the environmental documents (EA or EIS) are issued for this project and will be notified of meetings associated with the Commission's environmental review process.

The Commission considers all comments received about the project in determining the appropriate action to be taken. **However, the filing of a comment alone will not serve to make the filer a party to the proceeding.** To become a party, you must intervene in the proceeding. For instructions on how to intervene, see below.

Interventions

All intervenors in the previous proceedings for the projects **CP14-517-001**, will be considered intervenors in this amendment proceeding and do not need to file a new motion to intervene.

Any other person, which includes individuals, organizations, businesses, municipalities, and other entities,⁴ has the option to file a motion to intervene in this proceeding. Only intervenors have the right to request rehearing of Commission orders issued in this proceeding and to subsequently challenge the Commission's orders in the U.S. Circuit Courts of Appeal.

To intervene, you must submit a motion to intervene to the Commission in accordance with Rule 214 of the Commission's Rules of Practice and Procedure⁵ and the regulations under the NGA⁶ by the intervention deadline for the project, which is **November 24, 2021**. As described further in Rule 214, your motion to intervene must state, to the extent known, your position regarding the proceeding, as well as your interest in the proceeding. [For an individual, this could include your status as a landowner, ratepayer, resident of an impacted community, or recreationist. You do not need to have property directly impacted by the project in order to intervene.] For more information about motions to intervene, refer to the FERC website at <https://www.ferc.gov/resources/guides/how-to/intervene.asp>.

There are two ways to submit your motion to intervene. In both instances, please reference the Project docket number **CP14-517-001** in your submission.

- (1) You may file your motion to intervene by using the Commission's eFiling feature, which is located on the Commission's website (www.ferc.gov) under the link to Documents and Filings. New eFiling users must first create an account by clicking on "eRegister." You will be asked to select the type of filing you are making; first select "General" and then select "Intervention." The eFiling feature includes a document-less intervention option; for more information, visit <https://www.ferc.gov/docs-filing/efiling/document-less-intervention.pdf>; or
- (2) You can file a paper copy of your motion to intervene, along with three copies, by mailing the documents to the address below. Your motion to intervene must reference the Project docket number **CP14-517-001**.

The Commission encourages electronic filing of motions to intervene (option 1 above) and has eFiling staff available to assist you at (202) 502-8258 or FercOnlineSupport@ferc.gov.

Motions to intervene must be served on the applicant either by mail or email at: Kevin M. Sweeney, Legal Counsel, Golden Pass Products, LLC, Law Office of Kevin M. Sweeney 1625 K Street, NW, Suite 1100 Washington, DC 20006, or by phone at 202-609-7709, or email at ksweeney@kmsenergylaw.com ;. Any subsequent submissions by an intervenor must be served on the applicant and all other parties to the proceeding. Contact information for parties can be downloaded from the service list at the eService link on FERC Online. Service can be via email with a link to the document.

All timely, unopposed⁷ motions to intervene are automatically granted by operation of Rule 214(c)(1).⁸ Motions to intervene that are filed after the intervention deadline are untimely and may be denied. Any late-filed motion to intervene must show good cause for being late and must explain why the time limitation should be waived and provide justification by reference to factors set forth in Rule 214(d) of the Commission's Rules and Regulations.⁹ A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies (paper or electronic) of all documents filed by the applicant and by all other parties.

TRACKING THE PROCEEDING

Throughout the proceeding, additional information about the project will be available from the Commission's Office of External Affairs, at **(866) 208-FERC**, or on the FERC website at www.ferc.gov using the "eLibrary" link as described above. The
